

CITY OF VACAVILLE GENERAL PLAN UPDATE COMMUNITY WORKSHOP

Vacaville Ulatis Cultural Center, Rooms D&E
1000 Ulatis Drive
Vacaville, California 95687

September 13, 2010
6:00 to 8:30 p.m.

Vacaville General Plan Update Community Workshop #1: Issues Identification

AGENDA

The City of Vacaville has hired a team of consultants, led by Design, Community & Environment (DC&E), to update the Vacaville General Plan. The General Plan, a document required by State law, is a collection of goals and policies related to all aspects of community life and growth. It is often referred to as the legal “constitution” of local development. The General Plan establishes the foundation for all land use decisions (zoning, permitted activities, etc.) and City Council policy direction. Today’s meeting will provide an overview of the General Plan and update process, and an opportunity to discuss your ideas about key issues to be addressed through the General Plan Update.

- | | |
|--|------|
